

Lodging & Meals

All teams coming from outside of our local region or originating in countries outside of America that need to spend nights in Valdosta must know that the dance competition is a cash-award based contest; **the organizing committee's limited budget will NOT allow us to provide free lodging for any team.**

Once again, lodging cost needs to be covered by all participating teams at their own expense.

We will **NOT** compensate **any airfare or gas expenses** either.

The festival has food vendors providing many authentic, ethnic foods at the very in-expensive price. Most plates are \$7.00 plus \$1.00 for the drink. The team would need to purchase their own lunches.
